Budget Hearing 6D1 - Illinois River.docx

Attached is the factsheet we prepared and HQ concurred on for the February budget hearings. I've looked it over and do not think it requires revision, even in light of recent events involving the issue. Let me know if you want me to send it forward or if you will do so.

Rich,
As I read the email thread below, the Branch has responsibility for only one fact sheet to support the upcoming appropriations hearing. We need to provide an Illinois River Watershed Modeling factsheet to Terry Branch by COB on Thursday, 3/29. Let me know if there is any issue meeting the request.

Thanks.

Denise

Hi All –
Please see Joe's request below asking for updates on briefing sheets listed in Diane's email below.
I am out of the office Thursday and Friday and he is requesting updates by Friday morning.
Please review the list and if you are responsible for one of those fact sheets, please provide your updated fact sheet(s) to Terry Branch by cob tomorrow, Thursday, so she can get them all to Joe Hubbard on Friday morning.
If you need more time, please let Terry know.

*Thanks,
Olivia*
